

Papa Manawa - Hālāwai Kūmau o ka Hui Makua o Pū'ōhala  
5 Pepeluali 2020 5:30 - 7:30 pm

---

- I. Call meeting to Order [5:30 pm] - Lehua Coloma
- II. Minuke 'Ōlelo Hawai'i: Oli & 'ōlelo noe'au o ka pule (10 min) - Kumu
- III. SCC Report - Alaka'i Makua - Daylin Heather (5 min)
  - A. April 7, 6p SCC Community Meeting at the library. All makua encouraged to attend
- IV. Po'okumu Report - ~~Makua Pa'akaula~~ (5 min) - No in-person representation
  - A. TEXT REQUEST FROM VP Traci:
    1. text read by Lehua re: complaints from a neighborhood about Ko (sugar cane) overgrowth from mala.
    2. Comment: Konrad whacked sugar cane over a month ago. Got california grass which papa 5/6 worked on even tho not necessarily their kuleana. What about C&C? Is it true they won't take care of it? Or won't take care of anything that requires them to get off machines?
- V. Kumu Reports (5 min)
  - A. 2 additional teaching position (total = 10 not incl SPED) promised. Kamalei hapa & possibly out Aug.
  - B. Combo middle (papa 6-8) under 2 teachers possibly.
  - C. Papa 1 for next year probably should be 2 classes given enrollment.
  - D. Makua COMMENT: says she has in writing from Poo that at any given time mala'ao has 13 students to kumu ratio. Not sure how that happens; maybe with 2 PTT factored in with Dukie?
  - E. Kumu gearing up for Po Olelo Hawai'i this Friday with 9 stations Open to all.
  - F. Ola ka 'I = 90% kumu engaged. Positive feedback.
  - G. QUESTION: How can the assessment/data gathering change because it seems like the olelo doesn't match the standards. How can olelo be factored in appropriately. How can a haumana (lower el) write a paragraph when their focus is olelo.
    1. Kumu's focus #1 is OLELO however Admin is read/write.
    2. FYI a reporter from NPR/HPR is coming Friday to observe & write about OLELO at our kula.
    3. MAKUA asking our AHA KAULEO Rep to take note of this issue.
    4. LEHUA suggestion to have 90% of makua from a papa to make appointment specifically with POO Makaala and ask for CAS Matt and any support staff (i.e. PTT / SPED / counselling) to come as well. This happened before (12 of 15 makua) and not all makua were aware and on same page so make sure all are informed and have the same info, why you want OLELO as the focus over read/write standards. It did temporarily generate some extra help in the classroom for that year but that was it. Have goals and ask for it. KUMU are on board but cannot ask where MAKUA can.

H. Mahalo to KUMU KANOE for coordinating sign-waving this past Monday morning. Cheers in olelo! Signs in olelo!
