  - A. What were you grateful for at this year's 'Imi Pono?
    1. Not having to rotate around to different booths to work! If the main money maker was food anyway
    2. Liked keeping the focus on the keiki, loved hoike! Loved hoike!
    3. Hawaiian Food!!
    4. Loved seeing the science projects
    5. Impressed
    6. Liked seeing the diversity of the kumu and greatness of our students!!! By taking out the kuleana of makua which makes it hard for them to enjoy
  - B. What improvements would you like to take on as kuleana next year?
    1. 2 events - One, is a fri night hoike at end of year - for all to enjoy hoike. Two, imi pono - could be food trucks so less work
    2. Have food catered so everyone relax. Just charge a surcharge.
    3. Some wanted more vendors. Vendors bring families to our school-bring awareness
    4. Too long hoike - wanted to know when their keiki was going to go on
    5. look at purpose & vision of imi pono. Did you meet your goal? Then look at suggestions.
    6. Castle High School auditorium as venue for a hoike
    7. Hui to disperse kuleana. Board should lead. Board oversees the committees.
    8. Punana Leo pairs New parent with an older parent as a buddy. Buddy would take the ohana through their years at punana leo. This is a go to person if they have questions. Pair classes together. 5th grade w/ incoming malaa. Have a committee hookipa .just like the keiki are paired. kaikuaana/kaikaina.

- XI. Voting Results-Noelani Kauahikaua

\*\*Updated 5/20/18 \*\*From email to HMOP -- There were some technical difficulties at Wed. night's live online voting as I mentioned at the meeting while reading results aloud. It turned out there was a pilikia with some submissions coming through in our Google Form. A couple of makua came up to me after the meeting to make sure their vote was collected & it was discovered that even though the nominee was selected on the makua's end, it was showing up blank in the results. Note: We think it may have come from the fact that some people were on the voting form prior to the changes in nominations were made, and because the page didn't refresh, some votes didn't come through.

The 25 'ohana that voted on Wed. night were asked to revote over the weekend... and the results are in! Note: Even in the revote there were technical issues. It seemed that the form within the email wasn't allowing submission. Only votes submitted using the link to the external Google form were received correctly. I was troubleshooting live as votes were coming in because of this. Ho'omaika'i 'ana! And have a safe, restful kauwela a e mālama pono.

**O ka pono ke hana 'ia a iho mai na lani.**

*Continue to do good until the heavens come down to you.*  
Blessings come to those who persist in doing good.
