Don't need B.A., just high school diploma & interest in subbing Kaiapuni. Let Pookumu or HMOP know if you are interested. State still working on island wide list for kaiapuni subs.
- G. Kaiapuni report card in progress
- H. Uniform- looking at getting feedback from keiki & makua. VP & Pookumu will be reading w/ keiki regularly. Right now Mon is any college shirt. Fri is any 'ōlelo shirt or any puohala shirt (ie. huaka'i, black kaiapuni shirt, old green school shirt with old logo, etc). All other days is the puohala uniform shirt. This is clarification since something else was told to parents at Kindercamp & students at beginning of school year assembly. Makua voiced having a separate day to be only for 'ōlelo Hawai'i, since the school has been making an effort to normalize 'ōlelo on campus. Pookumu says will leave status quo for now. Only want 2 days non uniform days. She will accept feedback from families and students then will decide on changes, if any.. Black Kaiapuni shirt only allowed on Fridays!
- I. 'Olelo hawaii Signage on campus- Want names on buildings w/ meaning/ significance to place. This will be discussed on Kupuna Mo'olelo night - please come! Need volunteers! Need timelines! Suggestion-like KTA in Hilo - QR reader - thinking of incorporating that. UPDATE: Makiilei Ishihara to alaka'i 'Ōlelo Hawai'i Signage on campus. Mahalo!
- J. Ultimate site meeting w/ mural - scheduled with Kupuna Mo'olelo/Mural night, Thursday Sept. 6. !
- K. English iReady testing papa 5 is part of curriculum & all students should be taking test. Papa 5 is year when English is introduced- 1 hour per day. Pookumu says looking into English intervention during RTI (Response to Intervention) block or 1-2x week. Parent can opt out

of the tutoring or do it in RTI block (30 min) right after lunch. Math & hwn lang art, may be an option for after school intervention. Students shouldn't be told scores from iReady test. School needs to know their ELA (English Language Arts) level so they know level of each keiki & where to teach. Makua voiced concerns that papa 5 class has consistently been below grade level in 'ōlelo Hawai'i for years; Hawaiian language testing and tutoring should be main concern as opposed to introducing foreign language (English) testing at this point.

1. HLL (Hawaiian Language Learner) Tutoring- for 1st grade and up - Pookumu requested feedback from kumu as to who needs. 1st priority-All brand new HLL. Kumu Anela Texeira will be kumu
2. Makua at meeting disapprove of English testing & voice that parents have right to decide on whether or not their keiki takes test.
3. English iReady testing discussion tabled & Pookumu will let us know a date to meet regarding - Papa 5/6/7 - english testing. Papa 7 must pass test for class credit or cannot move to the next grade level, i.e. Science, social studies, english, math - papa 7.
