XI. Wā 'ai

- A. Po'okumu said 2nd lunch was created b/c of behavior issues w/ some students all the time. Right before spring break hope Po'okumu decided to start mixing seating across grade levels, Kaiapuni & English had to intermingle in an effort to create pilina between, without advising kumus first
- B. FAFKE (Kaiapuni Program guide) supports the separation of wā 'ai & wā pā'ani so that keiki can stay in 'ōlelo. All Kaiapuni kumu support. After kumu on English side saw FAFKE, they also agreed there is a need to have separate wā 'ai & wā pā'ani. Kaiapuni kumu are willing to give up their prep time to mālama those times. Could even have makua volunteer during those times to give kumu a break.
