Māla

2 different offer/quotes provided. 1 to level + EXTRA to add dirt; 2nd to just level. No decision made yet.

2 hours with a serious weedwhacker barely makes a dent.

Now that Konrad is back in MK, he wants to take the older keiki out to the māla on a regular basis. Work can be done Little by Little.

Many plans and planners have come and gone. Teri Au did the kalo plants in the front of kula. Noelani Kauahikaua started a whole campus planting with Prior Principal Makala and got grants to get plants; then other māla kumu came and went, so various plans only partially realized in some cases. Imu happened and now there's a hole left behind.

Ola ka 'Ī - Jan 28, 10-2 at Windward Mall

Looking for mākua (2 per 1 hour shift) to man the table for Pū'ōhala where brochure and other info is provided. Answer questions about Pū'ōhala to encourage enrollment. This event was started in 2020 and highlights the Kick-off of Hawaiian Language month (Feb). Not sure if we can sell Pū'ōhala shirts yet.

Performances by kula kaiapuni + ki'eki'e. Time TBD

'Imi Pono

Pre-Sales are about to start this month. Need kōkua with organizing tickets for plate lunch / hiki no raffle / vaifala / etc.

Question: When can physical signage for Imi pono go up?

Performance line-up is developing.

Last day for vendor apps is Jan 21st. So far 14 vendors + 5 community organizations (wai he'e limu, Hawaiian Warriors, Native Hawaiian Plants, Polynesian Voyaging Society, etc). Vendors are being introduced and given info.

Deadline is allows Imi Pono to advertise the donated items for hiki no to Drive Sales.

Alaka'i for Performers: mahalo 'ohana Judd! Also doing sound. Get them inoa/ph#. Needs 5 mins between sets to unplug adjust audio between Acts. Usually emcee stalls and makes announcements

Line up so far: Del Beezley, waiu'i (emcee)

Waianuhea will turn in the timesheet for the kumu and come up with draft timeline for performances / classes / entertainers

Po'o Kumu / Admin Report

Looking to post vacant positions as well as some currently non-vacant positions in the 1st posting (only can post one time) which happens in around April 2023

Turnaround from SASA should be fairly quick on māla clearing decision. Po'o to f/u.

'Ohana prefer science project to be done in 'Ōlelo Hawai'i. Po'o was also surprised by it being done in English, too.

Po'o to f/u. Mahalo for kāko'o! "Mahalo for following up on science fair projects in English. We want to continue to build on the momentum within our district in accepting projects that are in Hawaiian and being judged in Hawaiian." - Chat from Ka'ano'i.

Hillside growth (specifically the california grass) is returning despite all of the money and effort spent to plant native plants instead. Po'o is inviting input and ideas on what to do. Future plans are being discussed.

? Did 1.2m include putting up a wall in the back? Or is that a different contract/money?

Landscaping is different from retaining wall by the turn in the front (po'o believes). Landscaping was held up from last year to lack of equipment to reach up the hill. Po'o to f/u

Alaka'i Reports

Aokea - ok.

Papa waena - huaka'i this P5/Fri. Kumu Keani is helping with student gains (small but tangible). Prepping for Ola ka 'I; hopefully all 12 will go up and rep Puohala. Next month huaka'i to Kailua and planning underway for big dreams and trying to make it all happen!

Last day for kumu (?) this Friday. Moving on to another position.

Kumu Kāhea has been funneling Haumāna to us which is always positive. We hope they might choose to stay at Pū'ōhala. Need to entice them to stay!

Pu'uku Report - Lehua

No changes from last month. Expecting to get some new proposals soon and will add to next month's report.

FYI: No AmazonSmile. The whole program ep Kitagawa - Brandi contacted to get help for cali grass clean-up on roadside coming into Pū'ōhala but Rep Lisa says due to redistricting it's not her. Please continue to invite to events like 'Imi Pono.

AKL ('Aha KauLeo)

Deadline was extended to next week. Open to anyone!
