 - Might be easier if all acts were at one location for broadcast w/Emcee

 - Give Emcee actual products to demo
 - Add URLs in FB
 - Emcee Waiu'i closed IP perfectly with a nice mele at the end & did excellent job
 - Notes are in the HMOP drive
 - Feedback:

 - Our perspective from Pū'ōhala is important

 - Lackluster leadership response when discussion turned to looking for educational opportunities to leverage resources within the Ko'olau kaiapuni system for the benefit of Puohala. Especially when coming to kula ki'eki'e.
