- IV. Member Mana'o - Members (5 min)
  - A. Kahea Faria- Kaiapuni budget

-Kalehua told Kahea in Kako`o Kaiapuni mtg, that kula should have funds and money was pulled back so they have \$26m and he wants to hire "vendors" to make kaiapuni curriculum. Q's: is this money from suit with Pū'ōhala for funds?

- B. Tish: Mahalo for giving Makahiki Funds that went to lots of different things. "We appreciate it!" They are offering a booth to fundraise at Fun Fair May 10. Many participants are helping IP, such as volunteering on day of, donating items, advertisement.
- C. Lehua: If Kulamanu is SPED paid under govt funds, how is she teaching papa 7... time as well as money-wise? Concerns regarding middle school model because next year's papa 6 and 7 still need the most help with academic and especially behavior problems. Next year's papa 7 & 8 are not academically or behaviorally near each other, and it will be difficult for kumu therefore hinder haumana.
- D. Member Makua: Sexual Assault incident occurred in December. She reached out to Makala and Matt by email; Makala phoned parent but did not give satisfactory response; Matt never responded to original email or phone calls to District Office by parent. Poor communication, no support to makua. Will there be training for staff? Preventative measures? Mom is asking for help from Hui Makua for satisfactory help regarding incident and safety of her child and others. An email will be drafted by board to Makala, Matt, Umebayashi. Other parents' concerns include lack of communication to school as whole as parents outside of that classroom don't know if their child witnessed something and have been affected just by being on campus; and how to talk/question keiki regarding this type of incident.
