 2. Other things CAS is asking for in planning: Who will be responsible for teaching sections? What is the infrastructure of the program; concrete support systems (ie. WCC, PAF, Waikalua Loko, etc.); A specific scope and sequence, 2 year plan w/ grades 7 & 8, with transition of year 3 to 9th grade.
 3. Kahea to parents, not even just papa 6 parents - to show support if this is what we really want... **Lehua to send out email to arrange meeting w/ CAS**
 4. Resolution on behalf of Hui Makua regarding papa 7 sent to Matt Ho
 - B. Status on hiring kōkua & Kumu sy 2017-2018
 1. Kumu Māhealani has accepted a position at Hau'ula for next school year. Her position was posted and that posting closed today. There were no applicants. Kumu Ho'opono is returning to Graduate school so he will not be returning as a classroom teacher, but hopefully as a PTT in music (singing/instruments)
 2. Thus, we technically have 3 current positions open. Grade 1, Grade 2 and Grade 6.
 3. Tentative teaching lines for next year HLIP: Papa M: Kumu Dukie, Papa 1: vacant, Papa 2: vacant, Papa 2/3: Kumu Kaikaina, Papa 4: Kumu Malia, Papa 5: Kumu Waianuhea, Papa 6: vacant.
 4. But, we have Kumu Kamakani who will be entering a teacher certification program, Kahuawaiola in Hilo this Summer, who we are slotting to return, grade to be determined. Kumu Kanoë, under new licensing with HTSB, will be able to come back as a Kumu, slotted to continue in Papa 2. These are tentative until I receive word from district bc both are not certified licensed teachers. This still leaves one position still needing to be filled.
 5. Depending on the Papa 7, Kumu Kaikaina could be 3 days their kumu and 2

days Curriculum Coordinator/PKM8. If this happens, this would open up another position needing to be filled.

6. So we are in need of 1, possibly 2 if we have papa 7 next year. We do have some leads on possible people interested in becoming kumu. So I think we will be able to fill all positions before the start of the school year and offer some training

C. School Updates

1. I have hired a permanent 0.75 SPED EA for HLIP, Lopaka Cunningham. He will begin with us on April 24. Kumu Kaimi will still pull out for other SPED interventions.
2. School wide testing has begun, grades 3-6. HLIP grades 3 & 4 will be postponing start dates to allow the students some practice time to navigate test and be successful in their testing.
3. Next SY will be the 50th anniversary of the school's existence - Carol will report out on some ideas and assistance we will need. fundraiser - thinking of bringing in food trucks, and gifts for faculty & staff (hydroflask?). doing special design for 50th anniversary.
4. PTT/PPT surveys to go out to the kumus to decide who we will be bringing back next year
5. Teachers Appreciation meals should be covered by outside vendor
6. Article 6 money from District will end at the end of this school year - currently funds Noe Kauahikaua's position as kōkua in papa 3)
7. No report on water refill station promised a few years ago to all Windward schools.
8. Bathroom problems--students putting paper towels in toilet etc. - letter to go home
