- Asphalt fill
  - Plans to remove palm trees by driveway
- CABaM - Complex Area Business Manager
  - Budget manager meeting
  - Plan is to keep all personnel currently in place despite statewide cuts due to COVID (Update next time)
- ? Any news about state contracts for tutors, will that cut into personnel budget? TBD
- Budget shortfall for next 3 years projected
- ? Kula Ki'eki'e update: CAS Matt Ho to personally respond to HMOP letter. He confirmed OHE is still providing a position. Maybe a kaiapuni meeting next week Friday. Sounds like next SY (21-22) will not have a kula ki'eki'e due to budget.
  - ? If CAS have more purview, and because we have 3 kaiapuni in our complex, can we push for a higher priority for kaiapuni. A more organized effort to coordinate.
- ? Pūnana Leo update? Waiting on District Superintendent to add to approve list. Po'o is holding their classroom and planning for their return
- Full-time back at school now
- **Feel free** to contact Po'okumu

▶ SCC

- Last mtg had good attendance with lots of HMOP
  - Draft budget discussion (SY '21-22)

    - Some savings from prior year carryover hoped to offset shortfall
    - Keeping current staff is #1 priority
- Vacancies for English side representation; Please let people know to apply
- Please attend. Mana'ō, even from makua and public attendees has been positively received.

    - Mala'ao - Aokea's class is able to support both hui in-person; challenge to track pepa / online ha'awina. Asking to bring all work to kula because it's all pepa & no extra copies (or time to make ad hoc copy).
