III. Po'okumu Report - Po'okumu Makala Pa'akaula

A. Papa 7

1. No confirmation of Yes or No for Papa 7 from Matt Ho (CAS -Complex Area Superintendent.) Makala is still not clear on details of success criteria to have papa 7. We also need to know how the district and state will support this program
2. Mon. 11/27/17 3:45pm at Windward District office is next meeting regarding Pū'ōhala Papa 7 with OHE, CAS & Po'okumu.
3. Po'okumu was told last year that school may have to pay for papa 7 kumu for the first year, then OHE would give money for teachers the following year when papa 8 starts. Right now the school provides 6 kaiapuni kumu & OHE provides funds for 2 additional kumu for a total of 8.
4. Makala has letters of support from: Herb Lee, WCC (they specifically can start doing an Intro to College class in olelo). We know Kamakau also supports. Kamakau only had 2 openings last year for papa 7 after taking their returning students. They don't have the facilities to take all Pū'ōhala papa 6.
5. Makala does not have curriculum. She says can pull Kaiapuni curriculum from any school across any island. Her vision is to create our own curriculum from our community--place based curriculum. Her push is towards STEM next year for the whole school. She doesn't feel that it is a block that there is no curriculum at this time. Kumu Kaikaina was the teacher in mind for papa 7 last year. She would teach half time - only on M/W/F. Her free days T/Th she would work on developing curriculum.
6. One of Matt's verbal requirements to Makala last year for Papa 7 was to get the support of all principals of the district. Makala has requested to Matt multiple times to speak at principals regular meetings regarding starting papa 7. She continues to be told there is not enough time.

7. HMOP actions this school year regarding papa 7:
 - a) Mon. 10/23 - hand delivered a Resolution and letter to CAS's office. In the resolution HMOP requested that by 11/15/17 CAS provide HMOP the timeline, deliverables and success criteria needed to be met in order for a Papa 7 to be implemented for SY2018-19. And also requesting a Yes or No decision by CAS for proposed Papa 7 by Jan. 15, 2018.
 - b) Tues. 10/24 - HMOP emailed same letter and resolution to CAS, Kalehua, Makala
 - c) Mon 10/30 - made a phone call to CAS's office which was answered by his secretary. He was unavailable.
 - d) Thurs 11/2 - Because of the lack of response from CAS, an email was sent by HMOP to Kaiapuni kumu & parents inviting them to meet on Mon. 11/6 regarding further actions to support papa 7.
 - e) Mon. 11/6 - The following makua met to discuss actions to support Papa 7: Oriana Coleman, Analu K-aloha, Crystal Branco, Ka'ano'i Walk, Ian Bishop, Kamakani Kahanu, Noelani Kauahikaua, Lehua Coloma, Kenneth Ho, Celeste Akana, Edward (Junior) Andres-Johnston, Vivian Wong. During the discussions, template letter and online petition were prepared.
 - f) Mon 11/6 - DHHL Waimānalo monthly meeting- Kenneth & Oriana spoke at meeting on behalf of HMOP and requested support through letters & petitions
 - g) Mon 11/13 - Email sent to Makala, Matt, Cheryl Kukino (Matt's Secretary), Kau'i Sang, Kalehua Krug asking for clarification on who could attend the meeting on 11/27- HMOP board, parents, students, kumu?
 - h) As of 11/15/17 HMOP has received no responses from Matt. First deadline of 11/15 has passed and we have received no response nor deliverable, timeline etc. No agenda expected for meeting on 11/27. **HMOP to create an agenda of our concerns & email to Matt prior to meeting.**
 - i) Decision was made by makua attending this HMOP meeting 11/15 to wait and see what outcome of 11/27 meeting is. If not positive, makua are ready to move with petitions, action line, legislators, *elections coming up-Ken Ito and Jarrett. Makala says Jill Tokuda has been supportive in past. Matt Ho's sup is Superintendent of Educ. Kishimoto. If we do not have timeline, deliverables and success criteria needed to be met in order for a Papa 7 to be implemented for SY2018-19 from Matt by mid December, then we need to go to Kishimoto because the time will be short to take action on those items in order to have things set for SY2018-19.
- B. Just hired a PTT who is going to start robotics classes at our school. He has computer science degree.
- C. Loiloi Heluhelu -testing complete for the lower grades. Upper grades used end of year scores from last year. KAEO test SY2015-16 scores should have come home. KAEO SY 2016/17 scores came in 2 weeks ago-will get results distributed soon. 5th/6th will be pilot testing in LA/Math & double testing waiver should be

approved (so they don't have to test in both English & Hawaiian)

D. Kālā in HLIP School Accounts- Donna, permanent SASA left in April 2017. We are now on our 2nd SASA since then. HLIP monies are kept in student activities fund (SAF accounts)

1. HLIP account & Alemanaka: \$681.61 HLIP balance as of 6/8 according to Lehua who sat with Lace (SASA after Donna). Per Po'okumu "HLIP grant" account is where money for Alemanaka came from. Parent money for Alemanaka pay back went into a different account.
2. Last year's Papa 6 has approx \$800 leftover after Big Island trip. Sheri Dano & Wai are in process of following up with this. There are 5 vendors not paid from their Big Island trip and there was no money in account.
3. Kumu Malia's class has \$ from IP 2017 to use for huaka'i in April 2018 - \$574 check #174 written to Puohala El. on 3/18/17. Per SASA, went to wrong account
4. Makala mentioned she thought there was \$2,000 leftover for HLIP in one of the accounts.
5. Makala is accountable for the charges in all SAF accounts so POs or worksheets are required for reimbursement. She is thinking of doing only 2 accounts to streamline and have GLC keep track of an accounting log and sign off
6. **All HLIP accounts will be reconciled and worked out by next HMOP meeting**

E. Black "He palapala ko'u" t shirts-were given by Kamehameha for free as a fundraiser option for our school. **Analua to find out more info with Auntie Jamie Miller.**

F. **Facilities Meeting: Nov 30. 3:30pm Library.** All parents, students, kumu welcome! Anything regarding facilities & campus, mala, imu, pruning of trees, mural, safety concerns, recycling, trash can at front of school, etc.

1. Regarding Mala behind C building: Makala says it is fine to keep same size, but no more expanding
2. Garden Teacher: no money for one, money went toward mele teacher.

IV. 'Imi Pono - Jessica Hauki, chair

- A. **IP is on 9/28/18. New time: 11-4.** Plan is one main event at a time, ie. culture tent open, keiki entertainment closed and vice versa. Focus of event is keiki entertaining. Ideas to let keiki choose what they want to share in culture tent.
- B. Working on vendor applications and flyers.
- C. Decision was made at last meeting to increase vendor fee to \$50.
- D. **Next meeting- 12/6, 5 pm Hale 'Aina or on the mau'u outside cafe.** Next meeting topics include: price of hawaiian plate, culture tent, limits on vendors (planning to limit amount of vendors - maybe only mea Hawai'i.) Expect Hawaiian food plate price to increase.
- E. Apr. 11 meeting is cancelled-collection only.
- F. Imu & camp out will be on 4/14-15 at K-Aloha hale.
- G. Wai to get back to Jess on how much time the kumus need to showcase their classes. Then extra time will be filled in with other entertainment.

V. Treasurer Report - Ardis Eschenberg

- A. \$10,110 in account. Fundraising goal should be \$6,000-7,000 each year just to maintain what HMOP does regularly. \$6,868.94 was profit last year from IP.

\$4,420 came from presale plates, but we spent about \$1,800 on food. Donations were very low last year. IP Hawaiian plate costs--In best year HMOP spent \$800, worst year HMOP spent \$2000. It was suggested we should decide how much HMOP is willing to spend and then push hard for donations for the rest.

- B. Discussion regarding keiki/kumu should come to HMOP meeting when submitting a fund request and/or after receiving \$. There was a request to see what students got out of huaka'i and to know all the fundraising is worthwhile.

VI. Pelekikena - Analu K-Aloha

- A. Ardis motioned to approve last meeting's minutes. Wai 2nd.
- B. **Papa % Huaka'i Maui Funds Request \$1,000 - approval pending.** HMOP account at this point is under budget with current pre approved items. Papa % asked PTA for \$3300. Request was not reviewed at 11/7 meeting. Papa % moved mulch out from where PTA wanted to do imu at back of C building. 21 'ohana papa % are fundraising. The rest of families are paying their own. Parents helped other kids sell their laulau tickets or helped with extra manual labor.
- C. Kakoo Oiwi- next work day 12/9. Every 2nd Sat. We can get kalo for IP and other Kaiapuni events. Brian Nakagawa has been catching he'e for IP as well... defray costs
- D. Paikau Kalikimaka 12/2- Theme: "the Gift of Knowledge-Celebrating our Schools" App & facilities request turned in. Mahalo to Anela Apo & Noelani Marriott who are attending mandatory paikau meeting tonight. Truck confirmed. Flyer to come home soon with details
- E. 12/1 float decorating 4:30pm til pau. Bring: Yourself! plus greenery, work lights (the fire lane is not lit), screw guns, gorilla tape, zip ties, staple guns, staplers, staples, & ? If can... Bring a dish to share, your reusable water bottle & mess kit
- F. Truck cannot come earlier. Lā Mele same day & no school that day.
- G. Design for float discussed-greenery & Hawaiian flags- mana'o theme around Gift of knowledge - papa 7 - E ola ka 'ōlelo Hawai'i!
- H. Christmas paina- 12/20 5:30pm @ Hale 'Aina. \$115 pre approved in August. potluck. hmop to provide paper goods and main dish. Analu will bring his water container for ice water. In the past we've had kana kaloka come and give candies. Last year board members brought new or used items for kids to wrap and give for Christmas gifts. We could also have coloring pages at the back of Hale 'Aina as an activity for kids. Plan could be to pule first, then kids & kumu eat and makua move to the front & listen to HMOP meeting. Then kids perform and parents eat.

VII. Kumu Report - Wai Walk

- A. Imu concerns. PTA dug a large hole over the weekend, larger than was agreed upon the week before w/ kumu & keiki papa % who malama the mala behind C building. There now is an empty hole. No cover. Calling death. It is a lua, not an imu until rocks go in & the fire is lit. The symbolism of a lua is a grave and kupuna mana'o is if it's not filled quickly, someone will make (die). Yesterday Papa % worked together to pass a banana stump from their mala as a substitute for the body and put it into lua. Kumu Kamalei's class placed a la'i lei into the lua. It is not Hawaiian culture to leave a lua open. 260 turkeys last time PTA had imu.

VIII. 'Aha Kau Leo Report - Ka'ano'i Walk

- A. Next meeting at Waiiau School 11/18/17. All makua and kumu are welcome to come. Sup of Educ. Kishimoto will be at this meeting. Ka'ano'i to talk with her about papa 7.
 - B. Waikalua Loko workday also this Sat. 11/18 7a-12p
 - C. Tripod survey is on Friday. AKL supports the family's decision. AKL supports families who refuse to have their keiki take the Tripod survey due to cultural inappropriateness. Tripod responses are no longer tied to teacher advancements and will not hurt kumu, but is used as an indicator of school climate. It is in olelo haole. Anuenue School has developed their own assessment and is piloting. Responses in their survey are tied to olelo noeau and are more culturally appropriate. In the past Kaiapuni has been able to make positive change by not taking inappropriate tests. Each ohana can make their own decision on what is right for them.
 - D. Kaiapuni 30th Anniversary Mural through OHE- There was a pilikia. No more murals planned at other schools.
- IX. Pū'ōhala mural - Kalei K-Aloha
- A. 3 funders approved: Castle foundation, KS, OHA-\$5,000. 1 location is under blacktop ceiling. Only 2 locations. In process of choosing 2nd location. Hopes that this is beginnings to more collaboration with outside organizations
- X. Meeting adjourned by Analu K-Aloha at 8:20pm.
