Papa 7 kumu position & all non licensed positions posted. If no one is hired during the postings, po'okumu can pull from permittees and other non licensed kumu.
2. A licensed kumu from another Kaiapuni has already interviewed to come to our kula
3. Plan is for papa 7 SY2018-19, building to a papa 8 SY2019-20. In order to create Kaiapuni middle school at Pū'ōhala. And idea is to continue Kaiapuni tract to Castle H.S. for kula ki'eki'e.

B. 'Ōlelo signage around campus (ie. labeling on buildings should include 'ōlelo Hawai'i-"exit", "building A" etc) - Sheri did not have update. Need to follow up with po'okumu. Ka'ano'i to check at AKL.

C. Permanent Kaiapuni sign at front of school so it is known that Kaiapuni is available at Puohala. This was discussed with Po'okumu at a prior HMOP meeting. Ka'ano'i to check at AKL meeting this weekend regarding permanent signage. **Per po'okumu ok to put up vinyl sign for now.**

D. Ultimate Site meeting- not "facilities" is a focus group to gather thoughts/have discussions regarding school campus w/ all stakeholders ie. parents, teachers, students, community etc.

1. Money to help overgrowth of weeds on Hillside was approved but has not come down to school.
2. Upcoming work days:
 - a) 3/31 Vivian Wong planning work day to clean out compost bin created at firelane end of B building.
 - b) 3/19- Prisoner workline weed whacking hillside from end of firelane to fire hydrant toward front of school

E. HLIP accounts- showing deficit of \$1,300 in papa 6 account. 2 more vendors need to be paid. \$500 inflow was grant for HMOP money for kumu? In the changeover with 3 SASAs from 2017 til now, accounting records have not been

clear. Papa 6 kumu Ho‘opono Wong was told last year there was an excess of fundraising monies so the class spent money they were told was available. In past, HMOP monies given to kumu at beginning of SY go into "Hui Makua grant" account.

- F. KAEO testing update- waiver approved- no double testing. Papa 5-7 tests are pilots so scores won't count next year.
 - G. Teacher permitting- each year 20 positions are not filled in Kaiapuni. This is one way DOE is trying to fill them. Interested persons need to pass test on oral language proficiency & mentoring class & can become a Kaiapuni kumu. Kumu is given 2 five year terms to show they are in progress with teaching degree. 42 applicants are now on wait list for permits through this program.

 - G. Kamehameha School Admissions - Makua Papa 6 & Members
 - a) 10 tested from Pū'ōhala papa 6 for grade 7 at KS.
 - 2. For essays, all proctors gave instructions to students: All Hawaiian speaking students, do not write in Hawaiian. It will not be accepted
 - 3. Even for 9th grade test. Instruction was same.
 - 4. We want to be sure that we are giving our keiki the best opportunity to succeed at whatever school they are at. We don't want our children to be unprepared for test and we don't feel it is pono that 'ōlelo is not accepted. As one makua shared, it left a scar when she went from Kaiapuni to be tested at KS in 'ōlelo haole. 'Ōlelo is accepted at outer island admissions, why not O'ahu?
 - 5. We will invite KS administration from admissions, kumu etc to speak with HMOP on this. Haumana can share too. Jamie Miller - KS community liaison for our region to help coordinate
 - 6. Very few students make it into KS. We also want to make them aware of how they can help our other kaiapuni students. Support of 'ōlelo & 'ike kupuna are evident in their vision/mission. Help Ko'olaupoko move w/ papa 7 and the years beyond. Help Waimanalo start a Kaiapuni &

Preschool.

- VII. Treasurer - absent
- VIII. Kumu - Waianuheha Walk
 - A. At Kāko'o 'Oiwi huaka'i last week, rides were arranged by makua alaka'i. This successfully created pilina between parents & saved money. \$7/keiki cost typically for Kāko'o oiwi bus. Keiki really enjoyed huaka'i! It was great to have the makua support in whatever capacity it was. Uncles Ian & Analu were great to have working with the boys in the lo'i. Next Kāko'o 'Oiwi in Mar. Mahalo makua for being flexible and allowing your keiki these experiences. This is what makes Kaiapuni unique!
 - B. Enrollment statistics HMOP may want to track or ask Po'okumu for yearly count:**
 - 1. **Kaiapuni SPED numbers**
 - 2. **How many Kaiapuni keiki are free and reduced lunch? This translates into Title I funds for PTTs**
 - 3. **Data on students leaving, why, where they are going-HMOP currently tracking**
 - C. Through WASC documenting kumu found curriculum varies & there is imbalance - Kaiapuni teachers do more copies because they don't have text books. They come in early and have no access to office copiers. Must copy only during office hours.**
- IX. **Tri fold Kaiapuni enrollment flyer - decision to print label to update website & papa 7 corrections**
- X. Makua Papa Alaka'i - none
