CAS: Matt Ho

Castle Complex Area Superintendent (CAS)
Nov 9th - students returning to kula?

? Will there be a kula ki'eki'e next SY (21-22)?

Matt: It was coordinated by prior Puohala Po'okumu Maka'ala + Castle Po'o + Ardis Eschenberg (WCC Chancellor). Now there's been a change in leadership (Puohala Po'okumu Ikaika). If support from all parties exist, then efforts will continue. Joint leadership is required (Castle + Puohala).

- ? Ideas for Mākua to show support:
 - Work with Po'okumu Ikaika
 - Show our voices & interest

Let's keep our keiki on the windward side

- Forced to travel/bus to other kula like Kahuku or Palolo ('Ānuenuē)

- ? Is there a school model being thought of like UH

- Building & strengthen the community
- An "Academy" model

Kumu comment that there is difficulty to build up keiki on 2 separate tracts instead of keeping focus on the kaiapuni tract.

Day gave evidence of assimilation doing more damage than exclusion.

Please wear a mask and keep our numbers low. Example: A teacher had symptoms and kept herself and her keiki home; turned out she tested positive. Success story of containing the virus.

Pu'ukū (Treasurer) - Lehua

- Motion 1st: Ku'ulei, 2nd: Brandi
 - 1. **APPROVED:** (All 'ae, 0 'a'ole)
