 - ? ○ Convo today w/ Dr Tyrell (Castle) re: **Kula Ki'eki'e @Castle**
 - Poo vouched for CAS being committed to this effort
- ▶ Further discussion:
 - Notification to DOE Deputy (CAS Ho's boss) about the plans falling thru and the impact to 'ohana and haumana affected. Last night there was a meeting with Kili Namau'u from BOE (<http://boe.hawaii.gov/About/Members/Pages/Members.aspx>) to talk about our experience and background of Pū'ohala.
 - Kili was appointed to the BOE to give kaiapuni a voice. She's the kahu for Pūnana Leo - Maui. A strong advocate for Hawaiian Immersion
 - Kanuha - Hawaiian language kumu @Castle pushed back from considering him the kaiapuni support because his curriculum is geared for teaching English speakers vs kaiapuni. So he felt that by pushing back that would force the admin to hire a kaiapuni kumu.

- Next steps are gathering contact info of affected ohana
