

Po'okumu Report:

Met with CABM - Complex Area Business Manager, budget concerns are eased a little. Just worried as a new po'okumu and about enrollment for next SY 21.22

Planning for two classes per grade level Mālaa'ō - 'elua. Unsure if we will have 2 = Mālaa'ō kula again

RAMP UP - more students returning in Quarter 4. Trying to reach maximum capacity with safety by April 12.

Issues, lunch, and eating without masks now that more haumana will be coming back and maybe readjusting lunchtimes.

Still worries about teachers and fatigue and now summer school

Punana Leo MOU in the works, communicating with APL on procedures on campus

Waiting on CAS Ho's response and plan for Kula Ki'eki'e. I will begin communicating with CAS Ho weekly.

Planning a meeting with Kalae and Kehau

working with Hope Po'okumu to come up with a draft plan/schedule

OHE teacher position - possibly needing more than one teacher for kula

Summer Campus Improvement Project

Landscaping the hillside from Cafe to B building

Noisy - How can we let our neighbors know about the project and temporary inconvenience

SUMMER SCHOOL - the noise may be too much to have summer school at our school site.

Discussing with District SpEd Coordinator and nearby principals to address student support.

Blacktop reroofed

C building mosquitos and possible screens for the classrooms

Preparing to open for next school year
